Your Safety – Our Priority

The safest environment for the 2021 Climb Louisville is outside in the fresh air. We're tackling the stairs at the Lynn Family Stadium with the following protocol:

- Spatial distancing and wearing masks
- Controlling flow and number of people on-site
- Following strict site sanitation protocols throughout the day

Why We Need You

The American Lung Association is directing a \$25M initiative to end COVID-19 and defend against future pandemics while continuing our mission to fund research for lung health and support advocacy for clean air. Now, more than ever, your help is critical.
